

COR2ED[®]

THE HEART OF MEDICAL EDUCATION

HAEMOSTASIS CONNECT MEETING
VON WILLEBRAND DISEASE
TUESDAY 23RD MARCH 2021
PRE-READ MATERIAL

IN PREPARATION FOR OUR VIRTUAL MEETING...

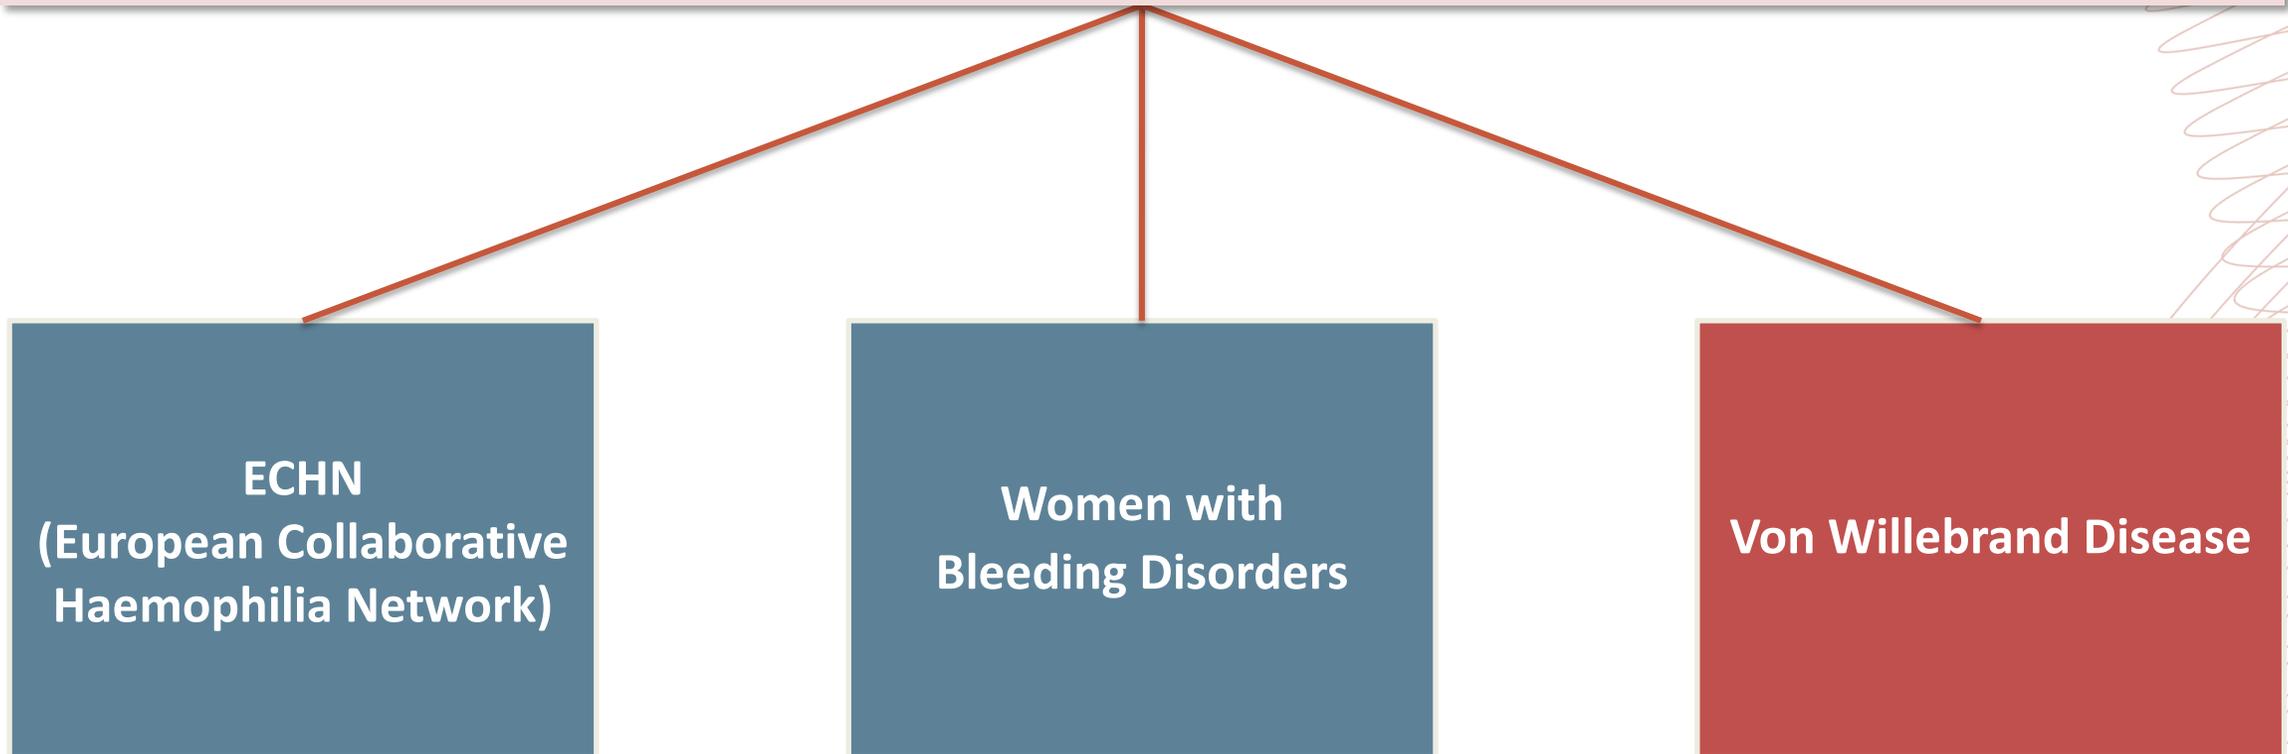

- **Please review the draft HAEMOSTASIS CONNECT Educational Objectives for 2021 as part of this pre-read material**
 - During the meeting we will confirm the group's Educational Objectives for 2021 and would welcome your thoughts and feedback
- **Ensure you have Zoom installed on the device you intend to use for the virtual meeting, do share your video**
 - Any guidance required please let us know at peter.wallich@cor2ed.com
- **Identify a suitable location from which to join us at**
 - **19.00 CET Tuesday March 23rd**
 - A quiet location is preferred so that you do not need to self-mute and can therefore actively contribute to our group discussion.... See you there!

FUNDING OF HAEMOSTASIS CONNECT

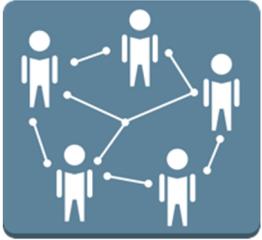

- The **HAEMOSTASIS CONNECT** programme is supported through independent educational grant from Takeda
- The programme is therefore independent, the content is not influenced by the supporters and is under the sole responsibility of the experts

HAEMOSTASIS CONNECT

MEETING OBJECTIVES

- Kick-off for HAEMOSTASIS CONNECT – vWD group
- Agree our educational objectives and target audience
